PREPARING FOR SUCCESS: BUILDING TEST CONFIDENCE - SECONDARY

For families of students in grades 6–11, this workshop focuses on effective ways to prepare using the California Assessment of Student Performance and Progress (CAASPP) practice and training tests so students can explore sample questions and become comfortable with the testing interface. We'll share access tips, study supports, and strategies for strengthening skills and building confidence across subjects.

PREPARING FOR SUCCESS: BUILDING TEST CONFIDENCE - ELEMENTARY

Designed for parents of students in grades 3–5, this session introduces families to official California Assessment of Student Performance and Progress (CAASPP) practice and training tests that help students become familiar with online test tools and question types before the real assessment. Learn how to access these resources and discover simple ways to build study habits and review supporting materials at home—while helping your child feel more confident and ready for test day.
